Roll up! Roll up! The circus is in town, but if it's jugglers and jesters you want then forget it.

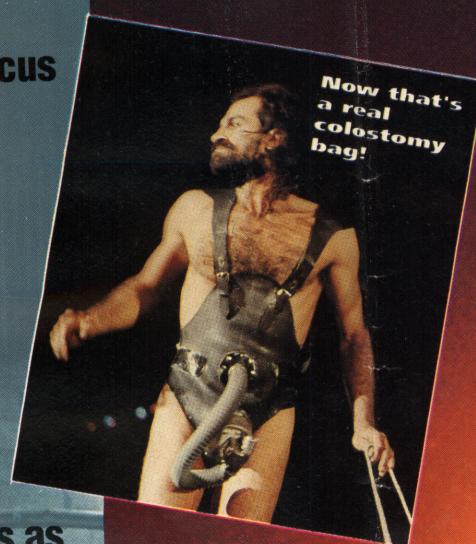

CIRCUS ARCHAOS is a celebration of violence, danger, torture and sex, using motorbikes, dynamite and chainsaws as its props. This is live entertainment and not even near-death and mutilation will stop them performing

Firepower! The anarchic Circus Archaos burn it up ...

ARCHAOS HAVE JUST ripped the stern moral fibre of Copenhagen to sorry shreds. Like mutant superheroes they blitzed the sleepy town with a killer of a show. After a thousand years of squaredom, the Danes rediscovered their Viking roots. They came in hordes to worship at this black celebration of tyranny, torture, thundering machinery and group sex.

It's called Metal Clown and it's a thoughtful and vicious piece of modern circus. Entering eco-protest territory, Archaos dramatise the white man's oppression of the black. Armed only with primitive chants and rusty machetes, a lost tribe of Brazilians are sadistically terrorised by an evil gang of flame-thrower wielding furies. These are the metal clowns: demented and demonic representatives of the western world. They wear corrugated iron shields, breathe fire, drool rank slime and are quite possibly the sexiest and nastiest performers ever to have infested a stage in the name of entertainment.

Wild at heart and wild of head (thanks to a bizarre mohican), the King Of The Clowns reveals his innermost thoughts.

"There's metal going through my head, steel shooting through every fibre of my body and I think, Fucking hell - what the fuck can I destroy next?"

His name is Jason and he has to hire and
